

April 2013, Active (A) and Foreign (F) Bulls Marketed in US by JPI

REGISTRY STATUS CODES IN ANIMAL NAMES. Registry status codes PR and GR are an integral part of the AJCA registration name and NAAB short name (males only) for those animals recorded at the Provisional Register and Genetic Recovery levels, respectively. When animals are recorded in the AJCA Herd Register, the registry status code of HR is not included in the registration name.
